

## CANDIDATE'S STATEMENT OF QUALIFICATIONS

Name: Timothy Lauwers

Age: 48

Occupation: General Contractor

Education and Qualifications: Member of California Contractor's State License Board and NCIDQ.

I moved to San Jose in 1987 with my wife of 25 years and raised our daughter in this neighborhood. I have been self employed for over 10 years as contractor, and a member of Carpenters Union Local #405. I have worked on large commercial projects both interior and exterior, from planning to completion. I have a strong ability to work well with developers, architects, owners and engineers. I pride myself on my work ethic and ability to talk to hard working residents of all cultures and backgrounds. I was a member of Franklin-McKinley School PTA.

When my wife, daughter, friends and neighbors come home we all share one common thread. We want to feel our neighborhood is safe, secure and clean. We all work hard. I feel that all of my neighbors want the same thing. I will strive toward our common goals. I will listen, assess the issues and work toward solutions. I promise to achieve this objective the best I can. By working together we can bring back the integrity we deserve in our district. I am an honest working class man who wants to represent the working class people.
